

TECHNICAL DATASHEET-TECHSPAN PLASTIC WELDER

Soron mini Blower :

For use with welding tools Maron and Weldon

Wiring for power supply to hand tool

2 year warranty*

Small, powerful, flexible

Ergonomic handle

Full range of nozzles and accessories

Full range of plastic welding rods

Technical support and service

Made in Switzerland

The Techspan Soron is a mini blower suitable for use with hand held plastic welding tools "Maron" and "Weldon". The in-line design provides an ergonomic shape for handling, and a hook to support the tool from attachment to the operators belt. The Soron electronic blower is a very heavy duty robust tool, designed to withstand adverse working conditions. Voltage 230V 50Hz.
